Summary

I hold a **Bachelor's degree in Computer Science** from a University of Calicut affiliated college. My career began as a **Technical Support Executive** at Aabasoft, where I developed strong **customer management skills** and **enhanced my interpersonal communication abilities**. Currently, I am an intern at **Luminar Technolab**, where I am expanding my **full-stack development expertise**.

Experience

Luminar Technolab | 05/2024 - Present

Student Intern, Kochi,Kerala

As an intern at Luminar Technolab, I am expanding my expertise in full-stack development, focusing on a wide range of technologies including Python, Django, REST APIs, HTML5, CSS3, JavaScript, React, Bootstrap, PostgreSQL, MySQL, Git, and GitHub. This experience is allowing me to deepen my proficiency in building scalable, efficient web applications.

Projects

Fullstack projects

- **E-commerce website** : HTML5|CSS3|Bootstrap|Python| Django|MySQL|Razorpay API.

Developed a fully functional e-commerce platform with **CRUD operations**, **search functionality**, and **user authentication**. Integrated **Razorpay API** for secure online payment processing. Built responsive and user-friendly interfaces using **Bootstrap** and **CSS3**. Utilized **Django** for backend development and **MySQL** for efficient data management.

- **Personalized Library management website** : Python| Django|HTML5|CSS3|Bootstrap|MySQL

Developed a web application for personalized library management with **user and admin login, registration, and authentication**. Implemented **CRUD operations** for managing books and **search functionality** for efficient book retrieval. Designed intuitive user interfaces using **HTML5**, **CSS3**, and **Bootstrap**. Utilized **MySQL** for database management, ensuring data consistency and security.

Front-end projects

1. GPT-4 Homepage clone(HTML5,CSS3)
 2. andhuman website clone(HTML5,CSS3)
-

Skills

Python, Django, HTML5, CSS3, MySQL, Bootstrap, Strong communication skills, Customer Relationship Management

Education

Bsc.Computer science | 03/2024

Blossom Arts and Science college, Malappuram,Kerala | CGPA: 6.425

I completed my **Bachelor's degree in Computer Science** at Blossom Arts and Science College, Kondotty. Affiliated with **University of Calicut**. With an add-on course of Entrepreneurship and Business Studies. Additionally, served as a member of the **National Service Scheme (NSS)** honed my leadership and organizational skills through community service projects.
